Well, another New Year has arrived and with it, the usual tired resolutions. I, for one, have a long list of things I'll quit or start. It's the same list I used last year.

Interesting things about resolutions, some of them are very good. For instance, the one about using RTD instead of the car. RTD probably has a bus going where you want to go. Valley Plaza at Victory & Laurel Canyon is a good example. No less than 5 RTD lines serve this fabulous shopping complex from almost every part of the Valley. Send for a map and timetables. It's a good way to start the year.

I have no way of knowing how many of you good folks reading this column have used International Airport. Nearly 15 million people used last year and the chances are very good that many of you will fly during the coming year. My point is this: RTD offers very good service to the airport on three lines. The #3 line to downtown Inglewood; the #100 line to Watts, South Gate and Lynwood; and the #51 line south to the beach cities of Manhattan, Hermosa, and Redondo, and to Los Angeles. Not only that, but you can go from downtown Los Angeles to the Airport for only 62c. Try to beat that if you can.

Many of you will want to go to Long Beach to see the "Queen" during the weeks to come. I am referring to the ship, Queen Mary, purchased by the City of Long Beach to be made into a museum show place, restaurant and world wide attraction. The huge luxury liner will be temporarily berthed at Pier E in Long Beach. Until additional transportation is arranged, you can view, but not board, her by taking RTD line 66, 36, 33, 124, or 59 to Long Beach and change to the Long Beach City Lines #8 bus to Pierpoint Landing. You can catch the #8 bus at 1st and Pine. Thank you, glad I could help.

Q. I ride the 51 bus from Hermosa Beach to Los Angeles, but would like information on getting to Music Center and County Art Museum. Mrs. M.E.C.

A. The 51 Line comes into Los Angeles on Olive to 6th and 6th to Main. Get off at 6th and Hill and catch the 44 line north to the Music Center. For the Art Museum, get off at 6th and walk one block north to 7th and catch the 83 going west to the Art Center. You are destined to become a patron of the Arts.

Q. What bus comes closest to Palos Verdes from Hermosa Beach, where does it stop, and what does it cost? N.M.

A. The RTD 51 line running on Hermosa Avenue goes to Palos Verdes two times a day stopping at via Chico and Palos Verdes Drive. The fare is 38c from Hermosa. I'll send you a 51 line timetable and a map.

Q. What is the best way to go to International Airport from Hermosa Beach. J.M.

A. Catch the 51 Line running north on Hermosa Avenue in Hermosa Beach. I'll send a timetable with your map.

Q. What is the best way to go from Torrance to downtown Los Angeles? A.E.O.

A. The Torrance Municipal Lines #1 bus goes to downtown L.A. from the center of Torrance.
